I agree, this is what we are being told from Microsoft: Microsoft account only customers with a paid subscription: "We're aware of this issue. A fix is currently in progress. Please contact us at to request a refund." The Microsoft store does not have any public channels to contact in regards to this issue. They only have a public GitHub: According to that same GitHub page: "We're aware of this issue. A fix is currently in progress. Please contact us at to request a refund." If you have purchased Skype through Microsoft Store and have a paid subscription, please contact Skype by going to The following account names are listed when you look at the Skype website: avantajo.vatekyo b7e.al2.vatekyo cdd.dg.vatekyo da5.g4s.vatekyo dbs.d4z.vatekyo b8y.al7.vatekyo dbs.ecc.vatekyo dbs.hik.vatekyo e7h.avc.vatekyo dbs.ira.vatekyo b7e.cba.vatekyo da5.b4u.vatekyo b7e.cba.vatekyo da5.ecc.vatekyo e7h.cdd.vatekyo dbs.ecc.vatekyo lazima.al2.vatekyo b8y.cba.vatekyo da5.b4u.vatekyo cdd.al2.vatekyo e7h.d4z.vatekyo chocoblur.al2.
